For more information about the predecessor's plot, see Baahubali: The Beginning. Kattappa continues to tell how he ended up killing Amarendra Baahubali. After defeating Kalakey, Amarendra Baahubali was declared the future king of Mahishmati and Bhallaladeva. Rajmata Sivagami commands her journey to the kingdom and its neighborhood, along with Kattappa. During the excursion, Amarendra witnessed the attack on Devasena/ Therasenam, princess of Kuntala, the kingdom's neighboring Mahishmati. Falling in love with her, he asks Sivagami to hold his hand in marriage. Rajmata, who did not know about Amarendra's feelings for Devasena, secures Bhallaladeva and sends emissary Kuntala, who makes the marriage proposal patronizing. Offended Devasena rejects the offer with a scathing response. Furious after hearing her response, Sivagami sends an order to Amarendra that Devasena be brought to Mahishmati as a captive. Kuntala, meanwhile, was attacked by Pindaris, a dacoit-like army. Amarendra, with the help of Kattappa, the cousin of Devasena's mother, Kumar Varma, can eliminate the attack and save Kuntala. After the survey, Amarendra reveals his true identity. He receives a bird post from Mahishmati, ordering him to take Devasena as a captive. He promises Devasena that he will protect her and convinces her to come with him, Mahishmati as his future bride. After reaching Mahishmati, the misunderstanding became apparent and when Amarendra, delivered an ultimatum that he had to choose the throne or Devasena, he chose the latter. Bhallaladeva is crowned king and Amarendra is the new commander-in-chief. However, this does not affect the popularity of Amarendra among people. Devasena's baby shower, Bhallaladeva gets rid of Amarendra in his duties a gift and offers them sethupathi. Devasena speaks out against Sivagami's inaction and taunts Bhallaladeva. Due to further clashes (the alteration of Devasena and Sethupathi), Amarendra and Devasena are exiled from the royal palace, happily living among the people. Bhallaladeva convinces Kumar Varma that Bhallaladeva is killed of Amarendra's death. Kattappa then plots to persuade Sivagami to kill Amarendra because Sivagami, convinced that Bhallaladeva's life is in danger, and open hostility will lead to a civil war, orders Kattappa to kill Amarendra. Kattappa, bound by his word to serve the Queen, tempts Amarendra into feigning he is in trouble, and then stabs him in the back and kills him. After Amarendra's death, Kattappa soon learns of the betrayal of Bhallaladeva and informs Sivagami, who reveals to the panic-raised odds outside her palace that Amarendra is dead and that baby Mahendra Baahubali will ascend to the throne. As Bhallaladeva and his men are about to seize the Queen, she flees with the new king, but falls into the river after being struck by an arrow shot by Bhallaladeva. Bhallaladeva becomes a tyrannical emperor who holds devasena prisoner for the next 25 years and destroys Kuntala, the city's borders and rebels breach the city's borders and scatter. With the help of Kattappa and Avantika, the army imposes a siege on Mahishmati. Bhallaladeva recaptured Devasena, but Kattappa, Mahendra, and rebels breach the city's borders and scatter. Mahendra fights his uncle and pins him down using chains from Devasena's cage. After completing the cleansing ritual, Devasena burns Bhalla on the pyre, permanently completing his reign. The next day Mahishmatra was crowned the new King of Mahishmati with Avantika as his queen. He declares mahishmati will be dedicated to maintaining peace and justice under his leadership. During the credits, the little girl, listening to the story, shows that Mahendra and Avantika's child will become the new king of Mahishmati. Her narrator says it's a different story.
